

The following form must be filled out completely before we can accept a purchase order for items with a Military or Dual Use application. Please fill out all questions completely and truthfully; anything left blank is not acceptable. Answering "Unknown" or "I don't know" is unacceptable. Please feel free to contact us with any questions.

Company Name:
Purchase Order #:
Please sign and return the following statement:
By purchasing from L.J. Walch Co., Inc. and signing below I agree under penalty of law:
(a.) To comply with all U.S. Government regulations regarding the export of military goods.
(b.) That all statements made regarding end use are true and correct.
(c.) That the parts being purchased will not be supplied to any parties hostile to the United States or its Allied Countries nor be sold or distributed to any U.S. State Department Denied Parties or Countries.
(d.) To obtain proper U.S. State Department approval (Export License) prior to the export of these goods.
(e.) I understand that L.J. Walch is required to comply with any U.S. Government investigation and will willingly submit this and any other pertinent documents to the U.S. State Department or other U.S. Government entities.
(for non-U.S. customers) I understand the above referenced purchase order may require a state department export license which will generally take 1-4 weeks and is beyond L.J. Walch Co., Inc's ability to expedite:
